

" Valuation Readiness Report

by E Raised To Infinity

Assessment Date:

01 Jan 2026

Company: Ab farma

Industry: LLP

This report is generated based on responses provided by the founder through the Value Enhancement Assessment, designed to evaluate strategic maturity and value creation potential.

Valuation Assessment Overall Score

38.57%

Chanakya Stage Classification: Ø=Ý4 ANVESHAK STAGE — The Explorer

Modern Interpretation:

Foundation Stage

What it means:

Your business is in the foundation phase. Focus on clarifying direction, strengthening systems, and building early structure to unlock valuation growth.

Strategic Analysis (Static)

This assessment evaluates your business across Chanakya's seven strategic pillars. A strong valuation is created when these pillars work in harmony. Weakness in even one pillar can limit scalability, investor confidence, and valuation multiples—while strength across multiple pillars enhances enterprise value.

Recommended Next Step (Static)

Book a 1:1 Valuation Enhancement Consultation to convert your report into a clear 12–18 month execution roadmap.
